2	#	blank (not defined)

Indicators Description

Indicator 1: Title Significance Indicator

Specifies whether the parallel title should be treated as an independent title access point, i.e. whether an access point (or added entry) should be made for it.

Value 0: Caption title is not significant

It is not intended that an access point be made under the caption title.

Value 1: Caption title is significant

An access point should be made under this title.

Subfields Description

\$a Caption Title

The title as given at the beginning of the first page of the text excluding any other title information or statement of responsibility. Not repeatable.

\$e Other Title Information

Subtitles and other title information that are subordinate to the caption title. Repeatable.

\$h Number of Part

The section or part numbering for items which are identified by a main title and a subsection title and relate to the caption title in \$a. Repeatable.

\$i Name of Part

The section or part name for items which are identified by a main title and a subsection title. Repeatable.

\$j Volume or Dates Associated with Title

The part of a multivolume resource or continuing resource to which the caption title pertains. Not repeatable.

\$n Miscellaneous Information

Text intended primarily for display in a note, e.g. “varies slightly”, “paperback edition”. It will be placed in relation to the other subfields in the position where the cataloguing agency intends that it will display. Not repeatable.

\$z Language of Title

Identifies the language of the caption title. Its presence will enable recipients of the record to omit added entries for caption titles in languages which are not felt to be useful in their databases. For codes use ISO 639-2 or other standard language code schema specified in subfield \$2. Not repeatable.

\$2 Source

An identification in coded form for the language code schema from which the code in \$z is derived, when the code is not from ISO 639-2. For a list of the language codes schemas, see [Appendix A](#). Not repeatable.

Notes on Field Contents

This field will be used only when the caption title differs significantly from the title proper.

Any subfield available under field 510 may be used. It is anticipated that only the following will usually occur: 514a and 514e.

Related Fields

312 NOTES PERTAINING TO RELATED TITLES	A note containing the text of the caption title may alternatively be entered in field 312.
